

A DROP IN CENTRE IN PATONG

Let me paint a picture for you of what we envision expect/hope our English Classes will become.

We hope to have a place to call our own in Patong, in the heart of the red-light district of Phuket. We have found it more successful to go where the girls are.

With this building, we hope to have someone work in this room from noon-8pm Monday-Friday. We envision it to be a place where bar girls can come to learn English & Computer skills, but also come to hang out, come when emergencies occur, and receive prayer and counseling.

We want to create a safe place for the women of Patong; a place where they can be free to be themselves and not have to put up a mask.

In order for this to happen, we need a few things...

PRAYER: At SHE, prayer is the foundation of everything that we do. We cannot function without it. We ask that you would join us in prayer. You can be praying for this vision of this drop in centre and for the following things listed below.

FINANCES: In order to open a room in Patong, we will need to provide 3 months' rent upfront and pay a little extra for the 'key money'. We are looking at a room that is about \$300 a month. So to start it up, we are looking at about \$1,000.

If you are interested in helping financially, you can donate with **Paypal** to mark.biddell@yahoo.co.uk and leave a memo stating it is for 'English Classes'.

We ask you to pray about considering donating monthly (\$10, \$25, \$50 or whatever amount you feel lead).

STAFF: We need someone to serve at this new centre. They would be present at the centre 8 hours a day and would be there to counsel, teach, pray and love on the women coming through.

If you are interested in this position or potentially serving with us at SHE, please contact us at info@shethailand.org or visit our website for more information <http://shethailand.org>
