

Church Groups! SHE Thailand needs your help!

How would you like to practically help transform the lives of hundreds of people affected by human trafficking in Thailand? It is simple, easy and hands on!

SHE Thailand has just leased some new land and is ready to build our new centre and staff housing.

We are asking **YOU** to help us build the staff housing. Here's how:

1. Get together a group of people.
2. Together, raise \$9,500 to fund a new staff house.
3. Fly out to Thailand and build the new staff house.

*Once here, (with the money you raised) we will provide all of the materials needed.

This is a great opportunity for you and your church to come together, tangibly serve a ministry in a great way and come away with a deeper understanding of human trafficking in the world and how we are to respond to this injustice.

It is an exciting time for us as a ministry! We are growing in expedient ways, and this new centre will serve as a way to meet the growing needs in our community.
